

# Lan Su Mums & More Exhibit

## Note to Artists:

Please be mindful of the following as you prepare for this show:

- The more illustrations of mums in this show the better, so please consider submitting at least one mum. Remember--the show will take place during “mumvember” at the garden, and mum pieces are more likely to sell! Autumnal subjects are also encouraged but not required.
- Illustrations of plants from the garden or of Asian origin are welcome as well. Although plants from Lan Su are not required, a master plant list and seasonal plant guides can be found at <https://lansugarden.org/about-the-garden/plants/> . Downloadable PDFs on right hand side of the screen.

- If you need help deciphering a species, Mandi and Justin, horticulturists at the Lan Su Garden, are an incredible resource. You may contact them both on the same email:

- Lan Su Chinese Garden membership scholarships are available for those who would like to be visiting the garden to prepare for the show, but the membership costs would be a financial burden. Email Janene Walkky directly for details.

- You may submit pieces from Lan Su in Bloom show that did not sell, as long as the frames are adjusted to fit the Mums & More guidelines. However, new artwork is encouraged.
- We are using Blick Essentials frames for both the look of uniformity, and to save on frame costs.
- Blick Essentials frame sizes 9x12”, 12x12” and 12x16” may be used in any orientation.

- We understand a high-resolution, color corrected scan or photo is not achievable by all. A phone photo of your artwork is required at a minimum, for our records. However, high resolution images may be selected for marketing materials by the garden.
- We will need an “intake committee” by March of 2019. If you are interested in helping please reach out!
